HIGH SCHOOLS JOIN PROTEST PARADE

200 Students Form a Union to Press Demands Here

About 200 metropolitan-area high school students brought the battle for "student power" down to their level yesterday by forming the New York High School Student Union.

They said they hoped to organize the nearly 300,000 students in the city's public and private high schools to press for student rights and educational reforms.

Dedication

We, the Class of 1969, proudly dedicate this year's MAST to a man who, in the past three years, has earned both our respect and friendship. His calm capability as class sponsor has been the stabilizing factor in all grade undertakings, while his warmth and genuine concern have been the endearing factors.

Certainly, the spontaneous applause that results each time Mr. Kirsty announces that he is "not a public speaker" and the fact that he was unanimously elected "Snow King" of homeroom 176 have served to reinforce our sentiments. However, we wish now to formally express our gratitude to a truly fine individual...

RIOT IN GARDEN CITY HIGH SCHOOL

Mass pandemonium broke loose in the Garden City High School on the afternoon of June 10, 1969 as enraged seniors gathered together in a final attempt to combat the ever-increasing apathy of the Student Council delegates.

A similar disturbance was created in the cafetaria with Peter Rundlett's urgen plead to "lower the price of orange juice!" Among his supporters were John Morrissey, Carmela Conti, and Tom Bleimeyer.

An air of tension filled the corridors as hundreds of students fell into marching formation under the leadership of Barbara Ozarkiw, Linda Saul, Herb Birmingham, Drew Hampton, Peggy Smith, and Bob Colon waved empty French's mustard jars as they proceeded. Kathy Bonner explained this action to be symbolic of their displeasure with the lack of mustard in Lunch B.

Dave Dickinson added a tuneful note to the demonstration with a rousing rendition of "We Shall Overcome" played on his portable xylophone. The instrument was ably borne by Jim McCarthy and Bob Lewis who also joined in singing a few choruses.

Soon, however, all music had been drowned out by mob's cries for "more snow days," "new shelves in the girls locker room," and "a new football team." Restlessness and anger mounted until the entire senior class . . . .

The Council consists of 150 members and six officers. President Charles Jacob, Vice President John Haberkern, Secretary Beryl Barmore, and Treasure Clark Mathews were elected to office while Sergeant at Arms, Russ Petro and Parlismentarian, Pat Harrison were appointed. Together they seek to promote democratic principles, maintain student-faculty relations, strengthen school spirit, increase participation in extra-curricular activities, and to represent the students in the community.

INKSPOTS

"Inkspots," the literary magazine of Garden City High School, is the only real outlet for the creative efforts of G.C. High School students. As assimilation of artwork, photography, music and writing submitted by students either independently or through their subject classes, Inkspots is published annually by a student staff, led this year by Editor Debbie Torney.

In addition, staff members learn many facets of the complex process of magazine publication. By providing an opportunity for students to take justifiable pride in their work while learning about publishing and creative technique, "Inkspots" is truly "a magazine for the encouragement of creativity."

FOREIGN POLICY FORUM–FIRST ROW: K. Barnaby, M. Levi, Mr. Benosky, E. Riggs, N. Ritter. SECOND ROW: C. Rix, T. Polignani, B. Driscoll, M. Burch, D. Wood, S. Winick. THIRD ROW: M. Bennett, R. Fielsteel, Tom Yannios.

FOREIGN POLICY FORUM

According to Foreign Policy Forum President Chris Rix, the purpose of F.P.F. is "to provide a forum for the informal expression of student opinion on foreign policy topics, with no restrictions on the topics or political views represented." Once again this year, F.P.F. has fulfilled this purpose in a variety of ways.

These have included discussions, guest speakers, and participation in the model U.N. F.P.F. has again provided a stimulating extension of regular curriculum.

DER DEUTSCHE VEREIN

If you happen to walk past the meeting room one afternoon and you hear strange sounds, it is probably Der Deutsche Verein, The German Club. Led by President Bruce Hillyer and Mrs. Dubsky, sponsor, it is a group of about fifty students who get together six times a year to promote the German language and culture. They sing in groups, show movies, ang play games, such as Bingo, in German. Every year the group travels to New York City to see a play or a museum exhibit concerning Germany. Der Deutshe Verein is also responsible for the publication of Gedanken der Jugend, "Thoughts of Youth," the German magazine.

CHANTECLER

Twice a month, in room 114, Cynthia De France and Mr. Chanover can be seen presiding over the meetings of the French newspaper, Chantecler.

Chantecler is composed of French students from all grades who wish to enhance their knowledge of French and to improve their literary abilities. These students number about 25 and have taken it upon themselves, in their magazine, to "communicate a young people's message to others."

Each year, the quantity of students in Chantecler goes up and likewise, the quality of the magazine. To all those who read this magazine, the interest which it generates is evident, and to those who don't, it can be said they are missing an experience.

ART COMMITTEE

Do the halls of this sacred and most memorable institution seem bright and lively? Yes! Have you ever thought why? All the credit goes to Mr. Blakeney, sponsor, and Sue Tate, president of the Art Committee, for giving us interesting and creative displays of the artistic ability of our fellow students. The highlight of the year for this committee is the Spring Art Show affording students an opportunity to display the art work completed during the year.

RADIO W.G.C.H.

Garden City High School had the unique experience this past year of having their own radio station, W.G.C.H., broadcast live music during all lunch periods. These cheerful disc jockeys were always ready to make my special announcements or dedications. Under the leadership of Station Manager Harry Fenik and Program Director John Tebbel, W.G.C.H. had made our lunches just a little bit more enjoyable.

RED CROSS: M. Byron, S. Metcalf, K. Darley, C. Dalton, J. Hipp, M. Boyajian, D. Kosowski, B. Johnson, M. Garry, J. Clarkson, D. Clapp, C. MacLeod, K. Kopfh, J. Arena, L. Trotta, B. Bursch, P. Lewis, M. Gibbons, M. Garry, T. Kerr, M. Murphy, M. Neilson, J. Procelli.

STUDENT STORE—FIRST ROW: J. Campbell. SECOND ROW: J. Galterio, J. Powell, P. Sobel. THIRD ROW: G. Boszilkov.

STUDENT STORE

One of the most populated areas during lunch is the student store. It is here that students are able to purchase review books, workbooks, paper, pencils, and other supplies in an aimiable atmosphere and also at a non-commercial rate. Under the leadership of John Crisfield and the sponsorship of Mrs. Schumacher, the student store provides one of the school's most valuable services.

CHEF'S CLUB

Once each week, Mrs. Niedbalski finds her Home-Ecroom filled with senior boys eagerly waiting to explore the art of cooking, buying food and planning and serving meals. The boys enthusiastically prepare meals which they eat upon completion. At tne end of each ten week session they show-off their culinary skills by preparing a full course meal. The first session officers were Bil Cavagnaro (Pres.) and Ron Capreol (Sec.-Treas). Second session officers were John Goodwin (Pres.) and Peter Owen (Sec.-Treas.)

S.A.M.

According to Student Action Movement President Bill Walzer, S.A.M. tries to "encourage and expand student support of worthwhile activities in the community and beyond and . . . to provide an outlet for responsible action."

This year, SAM has sponsored the showing of a film to benefit the New York Urban Coalition, a march to raise funds for the relief of Biafra, and the publication of a response to the charges made in the editorials of the Garden City News.

S.A.M. also provides a forum for the debate of divergent political issues. It has provided an opportunity for students to express their concern by sponsoring discussions with prominent guest speakers, such as State Senator John Dunne. Most important, however, was that it attempted to channel student energy and idealism into constructive social action.

MAGAZINE DRIVE

Under the auspices of Mr. Decker and chairman Cathy Guba, the Magazine Drive again breathed new life into the financial soul of G.C. Supplemented in this perennially monumental task of getting students and grades to sell quoto by arduous homeroom captains, and the chairman of accounting, publicity, and prizes, it was again possible to straighten the accounts of the three grades.

With the selection of their junior apprentices, the magazine drive was in full swing by late September and with a concerted effort on the part of all those involved, subscriptions rose and in the final tally the sophomores led, followed by the juniors and, in true G.C. tradition, the seniors brought up the rear.

MAGAZINE DRIVE—FIRST ROW: K. McCarthy, K. Connelly, P. Harrison, C. Guba, C. Stuart, J. Mitchel, K. Scott. SECOND ROW: Mr. Decker, A. Treiber, V. Freeman, J. Hebrank.

STUDENT-FACULTY RELATIONS BOARD

Twelve students (four from each grade) chosen by the Student Council meet each week, working to help bridge the gap between students and faculty. The committee, headed by chairman, Paul Schlegel, hopes to institute a worthwhile working relationship between students and faculty where it does not now exist. With cooperation between the students and faculty on the board, they hope to erase any friction between faculty and students.

COLOR GUARD

The Color Guard is composed of approximately twelve girls. Co-Captains are Barbara Ozarkiw and Denise Monell. The Color Guard has the responsibility of bearing the school and national colors at home football games. They are also ushers for the various band concerts throughout the year. The officers are elected by the members of the group and are responsible for organizing its activities. The group is hard-working and takes pride in the job it has to do.

COLOR GUARD—FIRST ROW: D. Monell, J. Trotta, D. Cannizzaro, E. Steinert, J. Bouton. SECOND ROW: B. Ozarkiw, K. Clifford, S. Christy, P. Birmingham, D. Zembruski.

SPANISH CLUB

The Spanish Club is open to all students interested in learning about the Spanish speaking peoples. Through visits to city museums and restaurants, this club is learning more about the people rather than just the language. Under the leadership of this year's chairman, Elena Vasquez, the club has attempted to learn some folk dances and cook certain Spanish dishes. In short, the club tries to verse itself in the Spanish culture.

LATIN CLUB

The Latin Club is back in the hands of Mr. Bruni this year. This club is open to all students interested in the classics and specifically studies Rome and modern Italy. Under the careful social eye of Consul Tom Price, a gala Saturnalia feast (Roman style, of course) is planned at Citizen Jay Madigan's house.

FRENCH CLUB

Le Cerce Francais (French Club) under the sponsorship of Miss Dunlop, had many different experiences during the past year. They have gone on a field trip, eaten a French dinner, and have seen a play. The meetings have been interesting, often featuring guest speakers. The able officers are: President, Mary Killbourn, Vice-President, Cynthia Jenks, Treasurer, Anne Oliver, and Program Chairman, Ann Emmenegger.

SOCIAL COMMITTEE

The Social Committee is another of those hard-working Student Council standing committees with a thankless job. During the first semester, their main endeavor is the Winter Wonderland Ball. Later, the Social Committee organizes the soc-hops and the Student Council Induction Tea. Co-Chairman Jane Sokolich and Kathy Brennan with Miss Murphy have brought the Social Committee to the end of a successful year.

STUDIO ORCHESTRA

This lively group of people represents the Studio Orchestra, comprised of select Band members and the members of the Orchestra. What do they do, you ask? Why, only play the sweetest orchestra music this side of heaven. And if you attended the Christmas concert, you would have known that. If you attended the Winter concert, you also would know that this group joined with the Community Orchestra to create the sweetest music this side of the generation gap.

With meetings only twice a week, they must be a talented group of musicians, I can hear you say. Well, at least I didn't have to tell you that.

BAND

This year the Band enjoyed another characteristically fine year. Both the Christmas and Winter concerts were well received by the audiences, and the performances by the Band and Majorettes during the football season were once more pleasing both to the eye and ear of the listener.

This year the seniors in the Band worked hard to sell tickets, make posters, and promote the concerts, thereby inspiring the sophomores and juniors to new heights. President Alex Rhodes and Vice-president Vincent deLuise did the scripts and announcing for the Christmas, Winter, and Memorial eve concerts, while secretary Lorna Wright and Librarians Marilyn Painter and Gloria Carraine worked overtime after school to organize the many other details that make up the Band's fine concerts. Congratulations to the entire Band for another fine year.

STAGE BAND

What's your preference? Swing, rock, cool, jazz, African Jazz, Dixieland, the new sound of "Doc" Severinsen? Whatever your taste, the Stage Band can (and does) play it. Under the direction of Mr. Chadderdon, this group meets once a week to practice their infinite variety of jazz. And once a year in April, the Stage Band presents its unique sound to the school. This year, the stage band assembly was as exciting and exhilarating as ever. That "big band" sound from a group of less than twenty is not impossible. And anyone who thinks so hasn't heard our Stage Band.

STAGE BAND—FIRST ROW: B. Quinn, V. DeLuise, S. Rainie, J. Desch, M. Pender. SECOND ROW: B. Bates, J. Braaten, D. Waterson. THIRD ROW: S. Stuart, R. Hughes, N. Martin, D. Hedwig, B. Simpson, L. Latham. AT PIANO: P. Di Pietro, J. Shachmut.

CONCERT CHOIR

Under the direction of Mr. Konowitz and President Scott Varga, Concert Choir has achieved musical excellence this year. The Christmas presentation of Handel's Messiah and the Spring Concert of Beethoven and Brubeck have proven their high quality of Music. Concert Choir is the most selective of the school choruses employing approximately 180 students.

MIXED CHORUS

The motto of Mixed Chorus, "We try harder," reflects the eagerness of its members. Its objectives are not only to perform in the Christmas and Spring Concerts, but also to learn the fundamentals of music. Conducted by Miss Lockridge, the group meets daily during sixth period. President Chris Ehmann sees to the mechanics of the organization. This year Mixed Chorus added a performance to its yearly agenda by demonstrating "Experimental Music" in the Choral Festival.

MASQUERS

Our illustrious thespian society, Masquers, is one of the most successful organizations of our school. As their first play, Masquers accepted quite a challenge in the production of David and Lisa. However, as usual, they did an excellent job especially with the use of Mulit-media. As their second production Masquers has put on the musical comedy Once Upon a Mattress. This play also was quite a success. Masquers is sponsored by Mr. Spiers, Mr. Mckaharay and Miss Gonya, but it is primarily student directed by President Gail Grifhorst, Vice-President Carol Lemrow, Secretary Pam Fries, and Treasurer Jim Duggan. Dramatics not only involves those who are seen acting but countless people backstage. All this takes dedicated people of which Masquers has many.

Bill Dillingham have worked this year to make the Society more of a school service organization. In addition to enjoying their justly earned special priviledges, the Society prepares the honor roll boards each quarter and writes letters of congratulations to parents of honor roll students. The members also serve on the Honor Society Tutoring Program where their services are offered to students of all grade levels.

FOLKSONG CLUB

Twice every month, Room 100 takes on a different sound when the Folksong Club inhabits it. This popular club provides a chance for any student to perform casually before a small group. To satisfy those who enjoy performing in front of a large audience, Miss Kendall and President Peggy Manley have organized as assembly again this year.

STEERING COMMITTEE

Most everyone who has ever gone through our fair high school has had some type of complaint with the charter of our student government. The place to start a change is the Steering Committee. This standing committee, chaired by Bill Walzer, is responsible for recommending new legislation, amendments to the constitution, and review of the charters.

STEERING COMMITTEE—FIRST ROW: K. O'Brian, D. Fieldsteel, W. Walzer, J. Weed, J. Redmond. SECOND ROW: W. Fitzpatrick, L. Camesas, P. Sanzo.

FUTURE TEACHERS OF AMERICA

Because of this year's interesting programs and speakers, and also because of the able leadership of F.T.A.'s President, Priscilla Duff, room 144, meeting place of F.T.A., has been filled to capacity every toher Tuesday afternoon. Other officers are: Jane Sokolich-Vice President; Barbara Egan-Secretary; Chris Salvie-Treasurer; and Ann Sewell-Program Chairman. Under the sponsorship of Mrs. Schnaubelt, F.T.A. provides the opportunity for all members to work as teacher's aides both in this school and in the Garden City grammar schools.

ELECTION COMMITTEE

One of the student Council's most important committees is the election committee. It's members are responsible for approving petitions, posters, and speeches, and supervising the campaign and the election. This year chairman Kathy Connelly divided the committee into four sub-committees, each to cover a separate phase of our democratic procedures. The able sponsor of this committee, Mr. Dolan, did an outstanding job this year, as always.

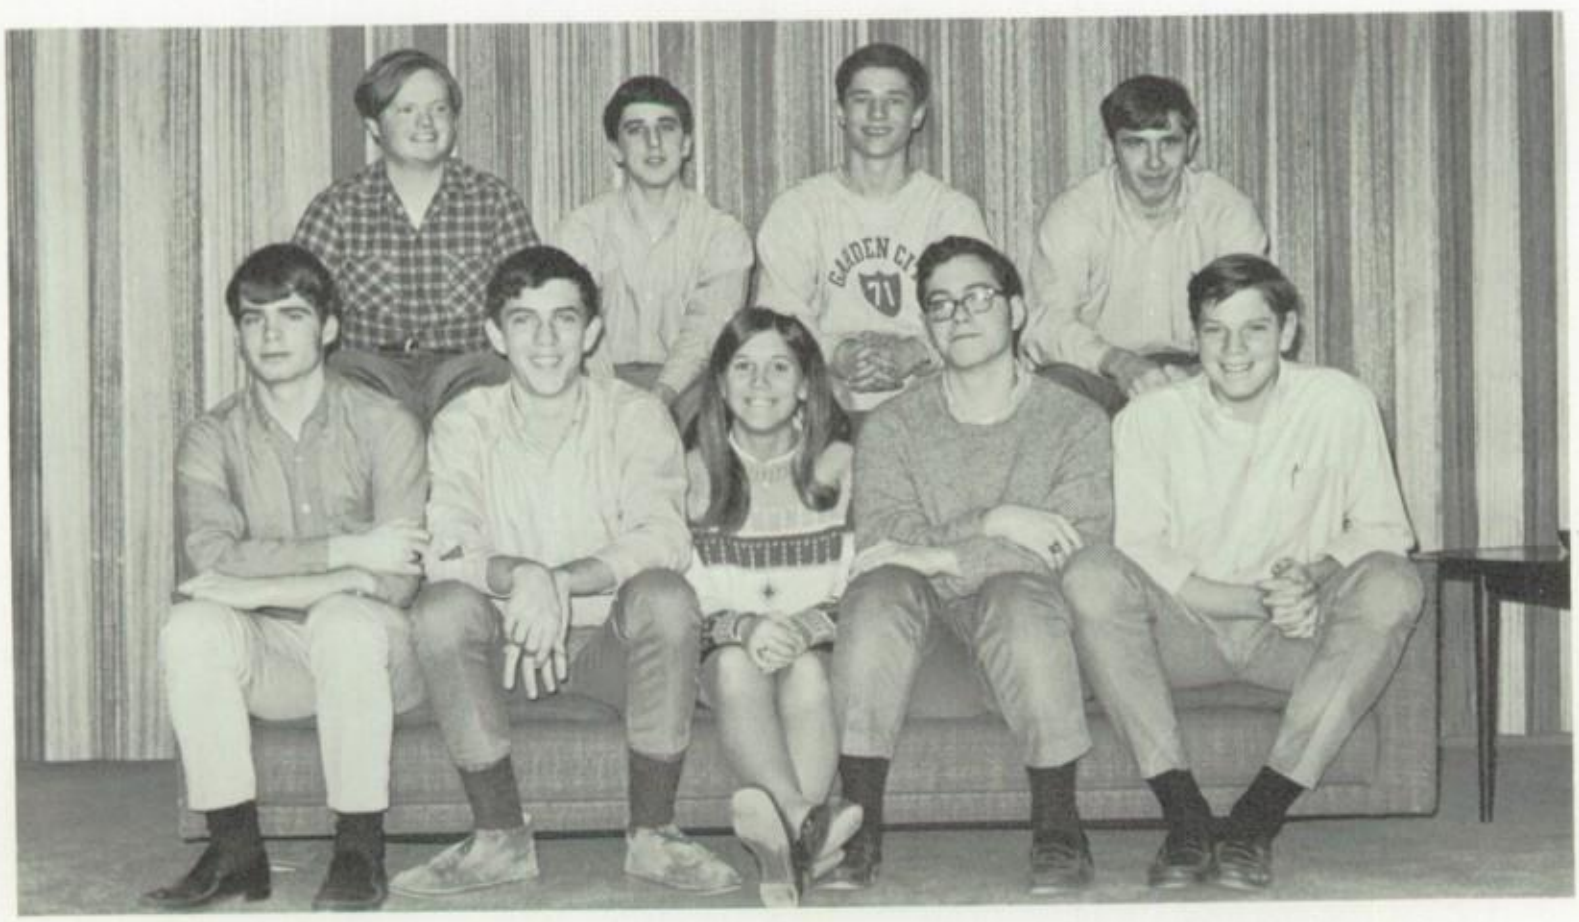
MATHLETES

Once a month, Garden City is represented in competitive math contests by Mathletes. Led by Co-Captains Jim Henderson and Vinny deLuise, these students have the advantage of learning and having fun at the same time.

Open to all those have a desire to compete in mathematics, Mathletes provides with an opportunity to test their mathematical prowess in length in problems 4 to 7 minutes. Under the constant scrutiny of Mr. Biviano, G.C. has always "fielded" a well-balanced team and a formidable opponent to the opposing sides. This year was no exception. Far too little credit was given to the hard-working students and their faithful sponsor.



BUDGET COMMITTEE—FIRST ROW: D. Ryan, E. Youngkin, D. Abbot, J. Logan, T. Hannon. SECOND ROW: B. Walzer, W. Fitzpatrick, S. Fairgrieve.

CHESS CLUB

The members of the Chess Club have one thing in common- an unending desire to test their graymatter by playing chess. Under the leadership of Mr. Walter, the club meets weekly in its headquarters, room 210. President Bill Hoyt, assisted by Vice President Bill Troha and Sec.-Treas. Craig Woodcock, conducts the meetings. The main triumpf is the school-wide tournament held in the second semester.

Man Lai King Committee—N. Massaglia, J. Weisfuse, N. Oosterom.

MAN LAI KING COMMITTEE

The Man Lai King Committee, under the sponsorship of Mr. Tegnell, has the important job of acting as the school's representative to Man Lai King, our foster child. Under the leadership of Nancy Oosterom and Darleen Melis, the club sends our gifts, letters, and money to Man Lai King. This interested group of students is also responsible for seeing that the school is informed of Man Lai King and her activities.

INTERNATIONAL COMMITTEE—FIRST ROW: L. Whittle, A. Treiber, B. Horstmeyer, J. Gilman, D. Sims, P. Eggers, J. Mitchell. SECOND ROW: D. McClelland, N. Oosterom, P. Harrison, C. Guba, K. Scott, S. Rainie. THIRD ROW: S. Varga, B. Lewis, R. Hieter, P. Forshay.

ECHO

Once again this year, the "Echo", our school newspaper, provided us with accurate and balanced coverage of school news, stimulating and informative features, and colorful and knowledgeable athletic commentary. This has been done within the context of an incisive editorial policy which seeks to instruct staff members in the fundamentals of responsible journalism as well as to install a proper respect for the role of the press in a free society.

With a staff of approximately forty, "Echo" is at the same time, one of the larger and more important of the activities of Garden City High School. Senior Editors John Cuddy, Peter Grilli, and Vinny deLuise deserve credit for producing a paper both topical and unbiased.

ECHO—FIRST ROW: H. Cole, P. Grilli, J. Cuddy, L. Wright, P. McGuire, C. Jenks. SECOND ROW: P. Confort, L. Jones, C. Sauer, E. Dieringer, S. McIntosh, M. Massaglia. THIRD ROW: L. Graefing, M. SECOND ROW: N. Oosterom, M. Ludwig, M. Kilbourn, M. Schenkel, N. Alexander, P. Harrison, L. Rainie (Pres.), D. Dietrich (V.P.), C. Lemrow, L. Garcia, B. Ozarkiw, P. Wieser, D. Whitman, B. Bretnall. THIRD ROW: T. Helmus, E. Goodwillie, P. Hieter, D. Holman, J. Garnett, G. Lauro, S. Rainie, J. Henderson, J. MacFarlane, J. Goodwin, B. Dillingham, T. Marrin, J. Eisen, D. Edwards, B. Schumacher, B. DeFliese, J. Regan, S. Albigese, D. Boyle.

S.C.B.

The Student Citizenship Board, most often referred to as the S.C.B., is one of the most valuable service activities at Garden City High School. Charged with enforcing school rules and coordinating the attendance system, members of the S.C.B. are chosen by a student faculty committee on the basis of scholarship and responsiblity.

The S.C.B. tries to set standards for student conduct as well as relieving teachers of the burden of attendance paper work. It is difficult to imagine the school functioning efficiently without the S.C.B. In the words of President Lee Rainie, "It is an honor to be selected and will continue to be." The S.C.B. has a long tradition of service to our school.

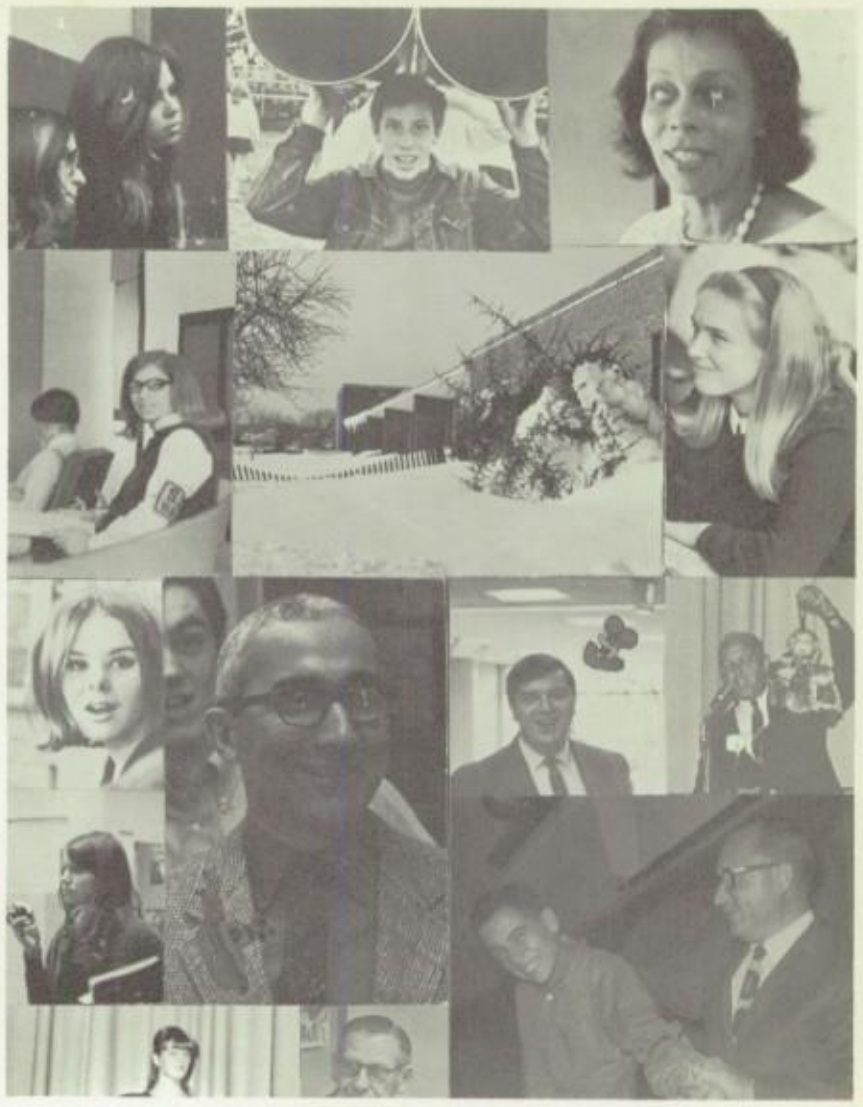
ORIENTATION COMMITTEE

A school such as G.C. High can be very lonely to a new student. It is the job of the Student Orientation committee to see to it that these students become acquainted with our school. Through the able and friendly leadership of President Cindy Sauer and Mr. Horton, the first few days of high school life are much easier.

FIRST ROW: B. Savarese, D. Abbott, P. Eggers, S. Rainie, B. Horstmeyer, D. Boland, J. Amoto. SECOND ROW: K. O'Donojue, J. Billmeier.

JUNIOR EXECUTIVE BOARD

The Junior Class Executive Board is one of the hardest working organizations in our school. Through the efforts of these students, the Junior Prom in June will become a success. Led by President Shep Rainie, Vice-President, Diana Sims, Secretary. Patty Eggers, Treasurer Dede Venables, social chairman Betty Horstmeyer, and of course Mr. Bennetter, the junior class will make its prom one of the best G.C. High has ever seen.



SOPHOMORE EXECUTIVE BOARD

Even though the Sophomore Executive Board does not have a Prom to dedicate their time to, they have found other ways to be useful to the school and community. Under the direction of "Doc" Borut and Dave Winningham, the Executive Board has planned a party for an orphanage along with its regular duties.

FIRST ROW: M. Gelman, W. Hoeffler. SECOND ROW: C. Heingartner, T. Braseth, S. Peck, J. Mendes, D. Lundborg, K. Culkin. THIRD ROW: D. Winningham, B. Wilson, R. Emslie.

Swoboda Helps Mets Lose to Astros

Special to The New York Times

COCOA, Fla., March 9—When Ron Swoboda arrived in the Mets camp 10 days ago, he vowed to turn over a new leaf and "make it up to Gil" for some of his escapades last year.

"Gil wants me to be more of a pro," he said, speaking of Manager Gil Hodges. "I've got to do that if I am to have a good season."

Swoboda is not off to a very good start. Against the Houston Astros today, the right fielder made his first start of the spring and it was one of his more memorable afternoons.

Ron's failure to catch a fly ball in the third inning allowed ...

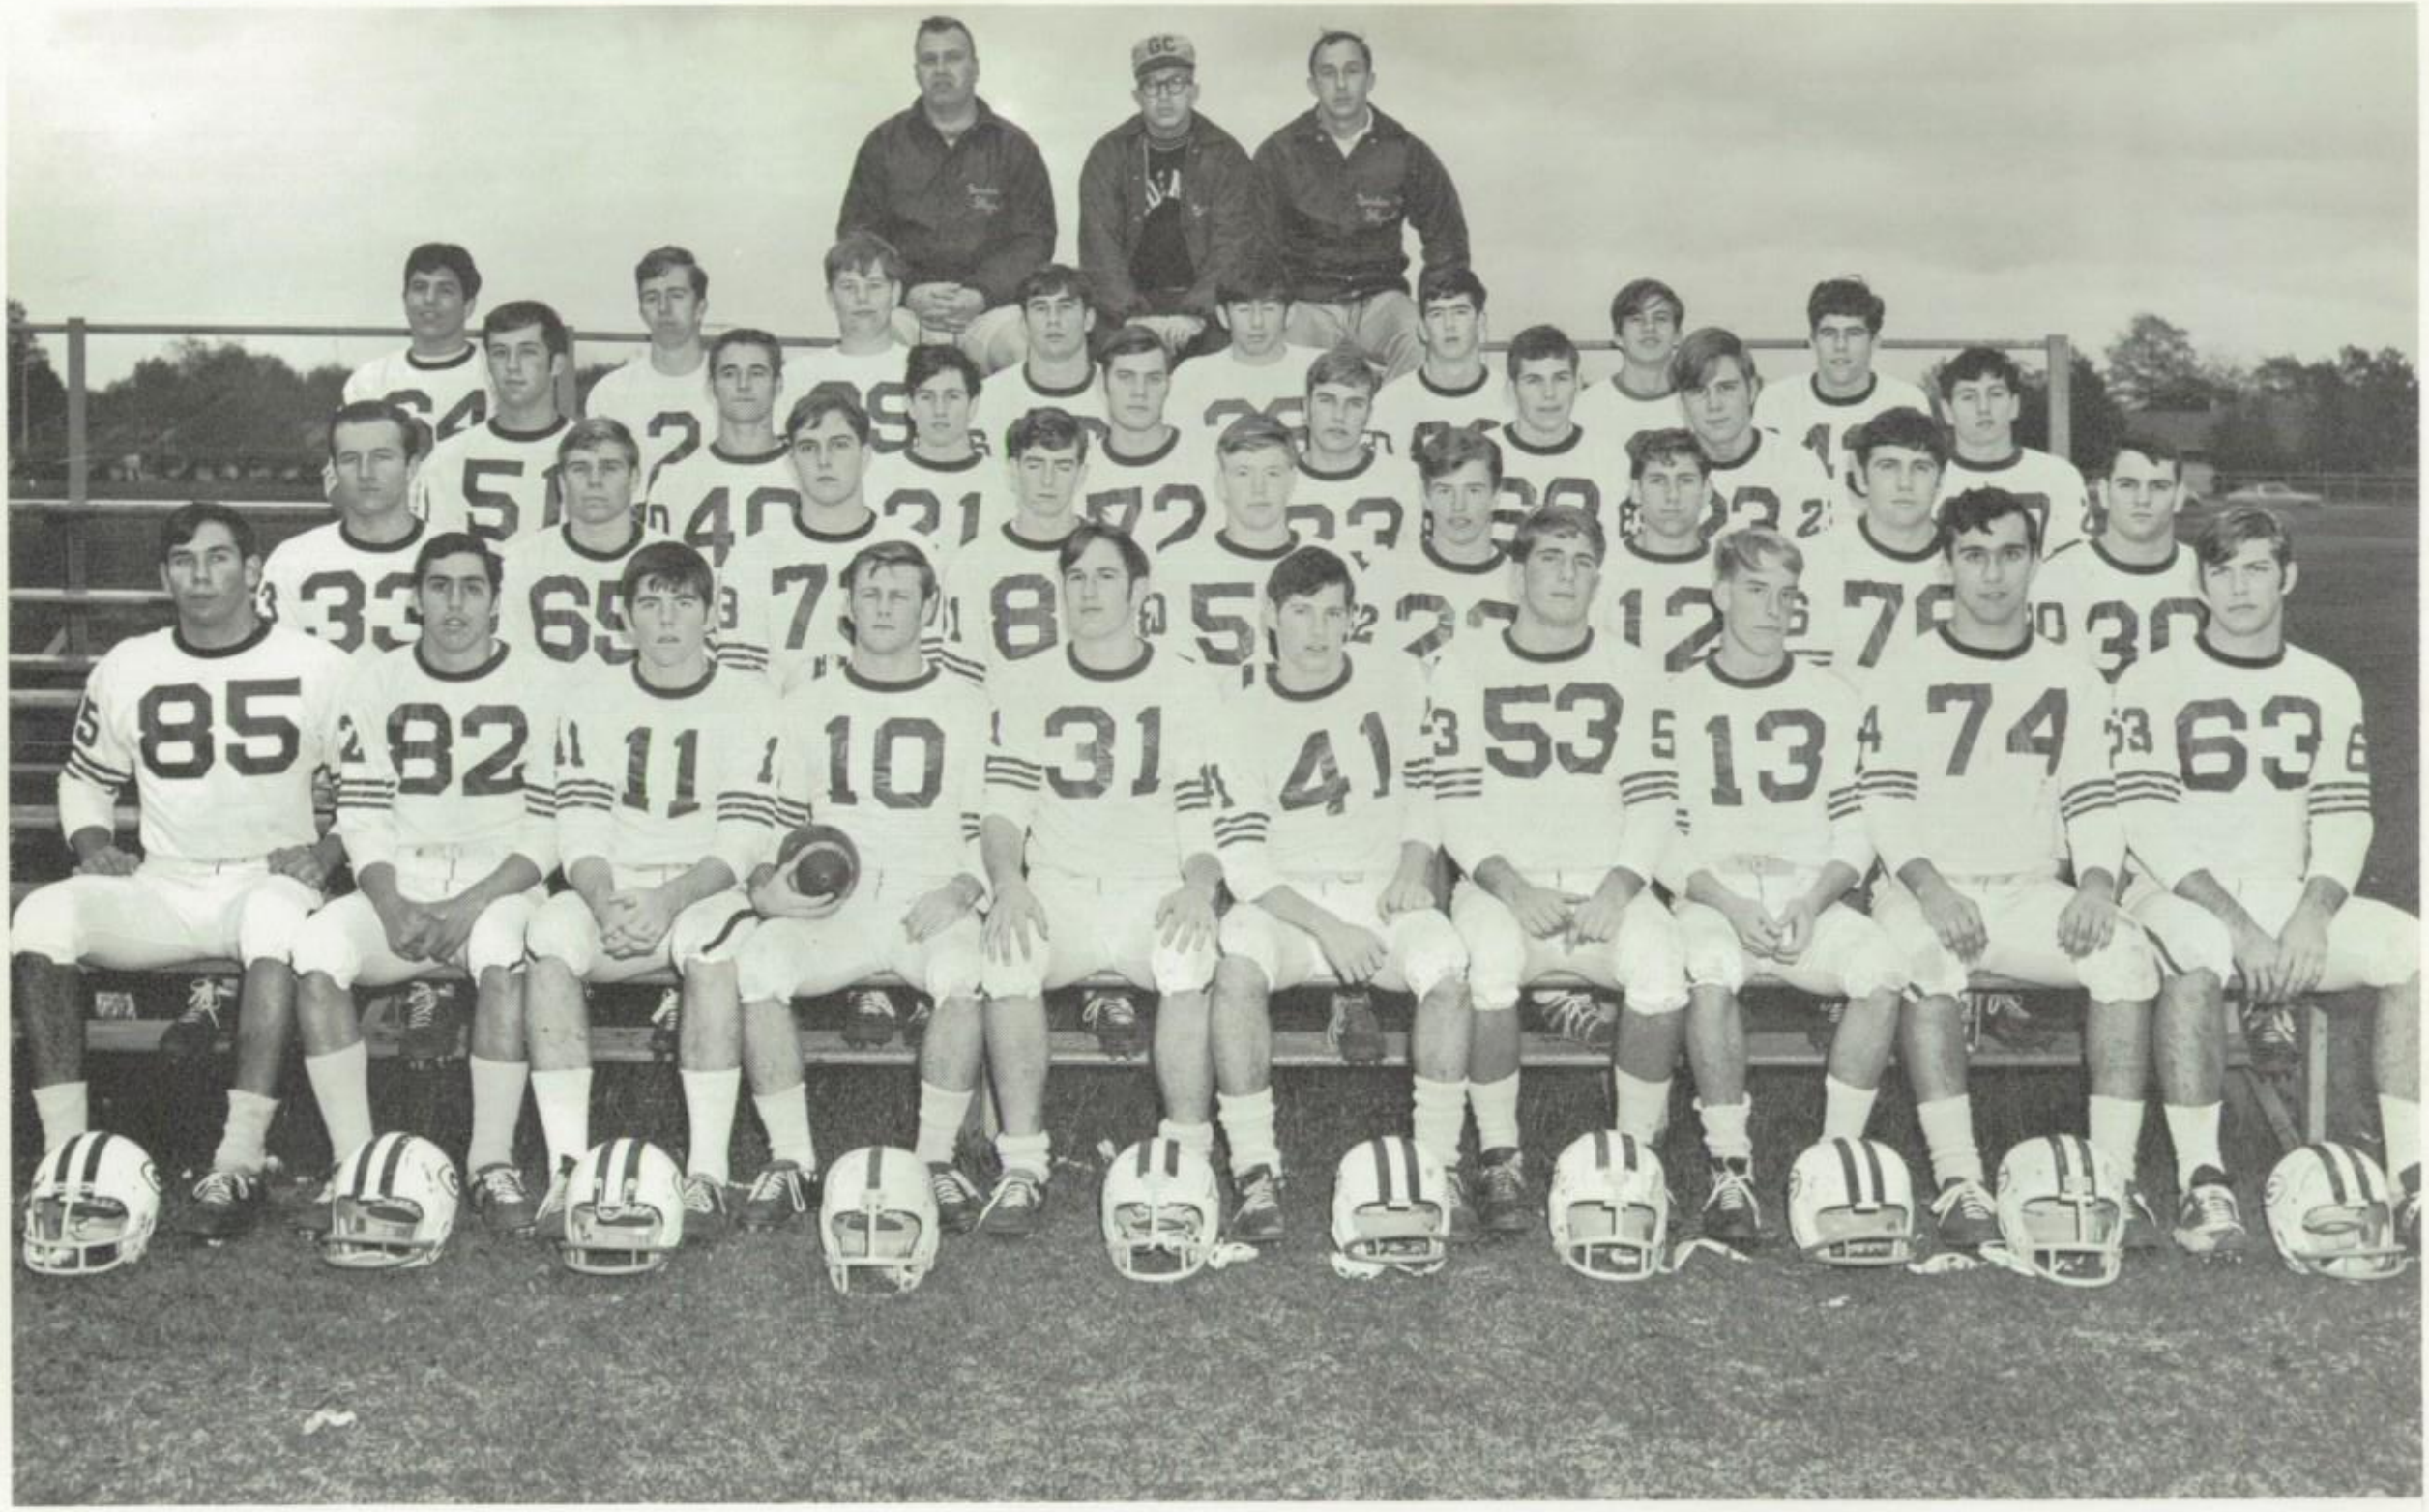
BOTTOM LEFT TO RIGHT: D. Keyes, J. Klop, B. Colan, C. Woodcock, C. Nason, A. Rhodes. TOP LEFT TO RIGHT: H. Oellrich, J. Cooper, B. Owen, B. Kerler, J. Garvey.

After posting a 6-6 record in 1968 the Garden City Tennis Team had a disappointing record of 4-8 this year. The depth that was first thought to be present was not and the Trogan Racqueteers fell to 5th in a seven team league. This league includes such powers as Great Neck's North and South and Port Washington and the winner of this league usually emerges as state champ. Five of the ten Varsity players graduate this year so Coach Corbridge is faced with rebuilding from scratch. This years lineup included: Capt. John Garvey, Bob Colan, Bob Kerler, Jack Cooper, next year's Capt. Dan Keyes, and Alex Rhodes.



TOP LEFT TO RIGHT: J. Cervini, [illegible]. Dell, C. Orr, P. Talty, [illegible]. Flanagan, K. McCabe, D. Foxen, R. Veil. SECOND ROW: J. Regan, Jr. Hubbell, C. [illegible]ean, R. Puk, B. FOOTBALL

The football team managed to duplicate last year's record. Injuries and apathy plagued what should have been a good team. The schedule was unusually tough this year. It included three teams in Nassau County's top ten and head-to head confrontation with the Thorpe Award winner, Skip Macholtz of Bethpage, who Coach King calls "the best back since Jimmy Brown."

Highlights of the season were the line play of Bob DeFliese, Bill Dillingham, capt. Larry Zampino, Rich Porto, and Pete Talty who was given All-Division Honors at tackle. Standout backs were capt. Dave Venier, Bill Daly, Chris Rix, and Geoff Hubble. Probably, the most exciting moment of the season was the combined effort of D.E. Dana Sheridan and safety Lee Rainie; Rainie blocked a punt late in the Kennedy game as Sheridan recovered it in the end zone. Kennedy then marched down the field only to be stopped in the final seconds by Doug Dietrich's fumble recovery.

The injuries of Paul Connor, Bill Harris, Bob DeFlise, John MacFarlane, Larry Zampino, Pete Talty, Bill Schumacher, and Lee Rainie halted the team. No cohesive unit could be organized with such hardships.

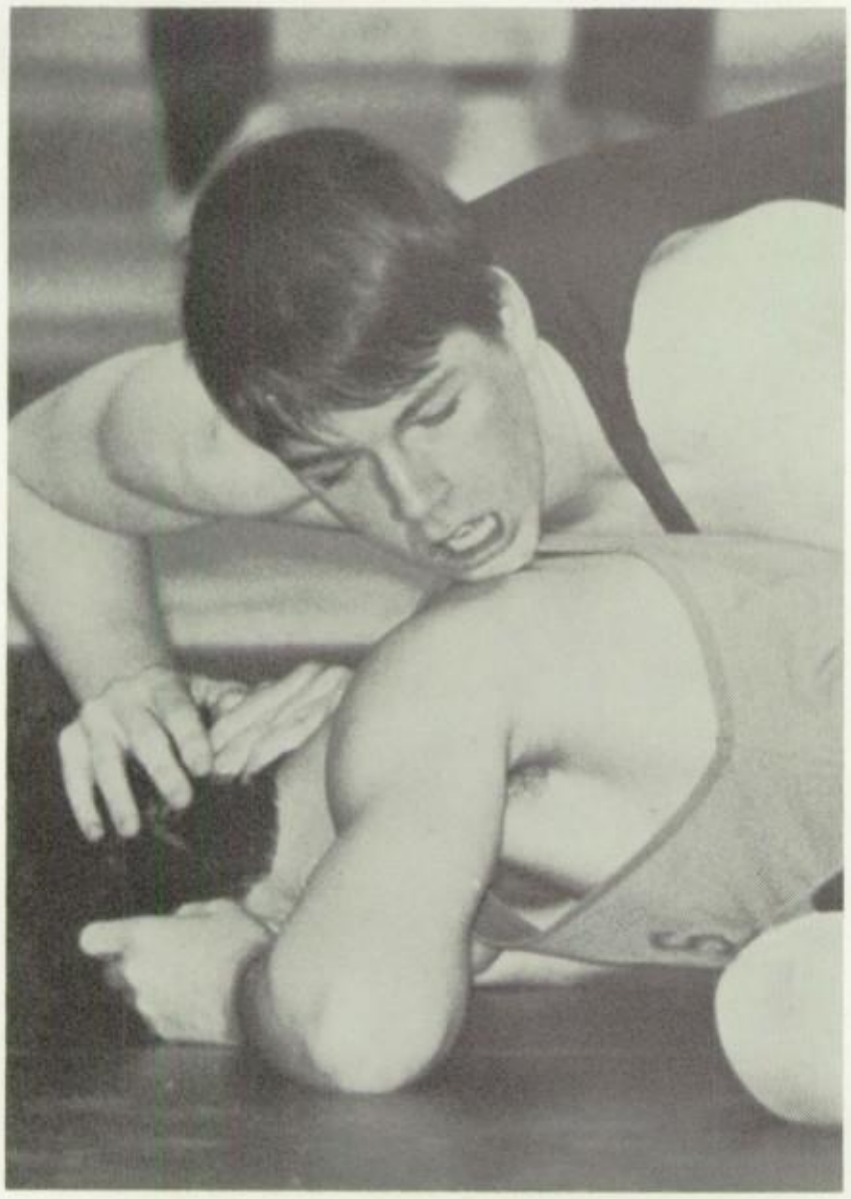
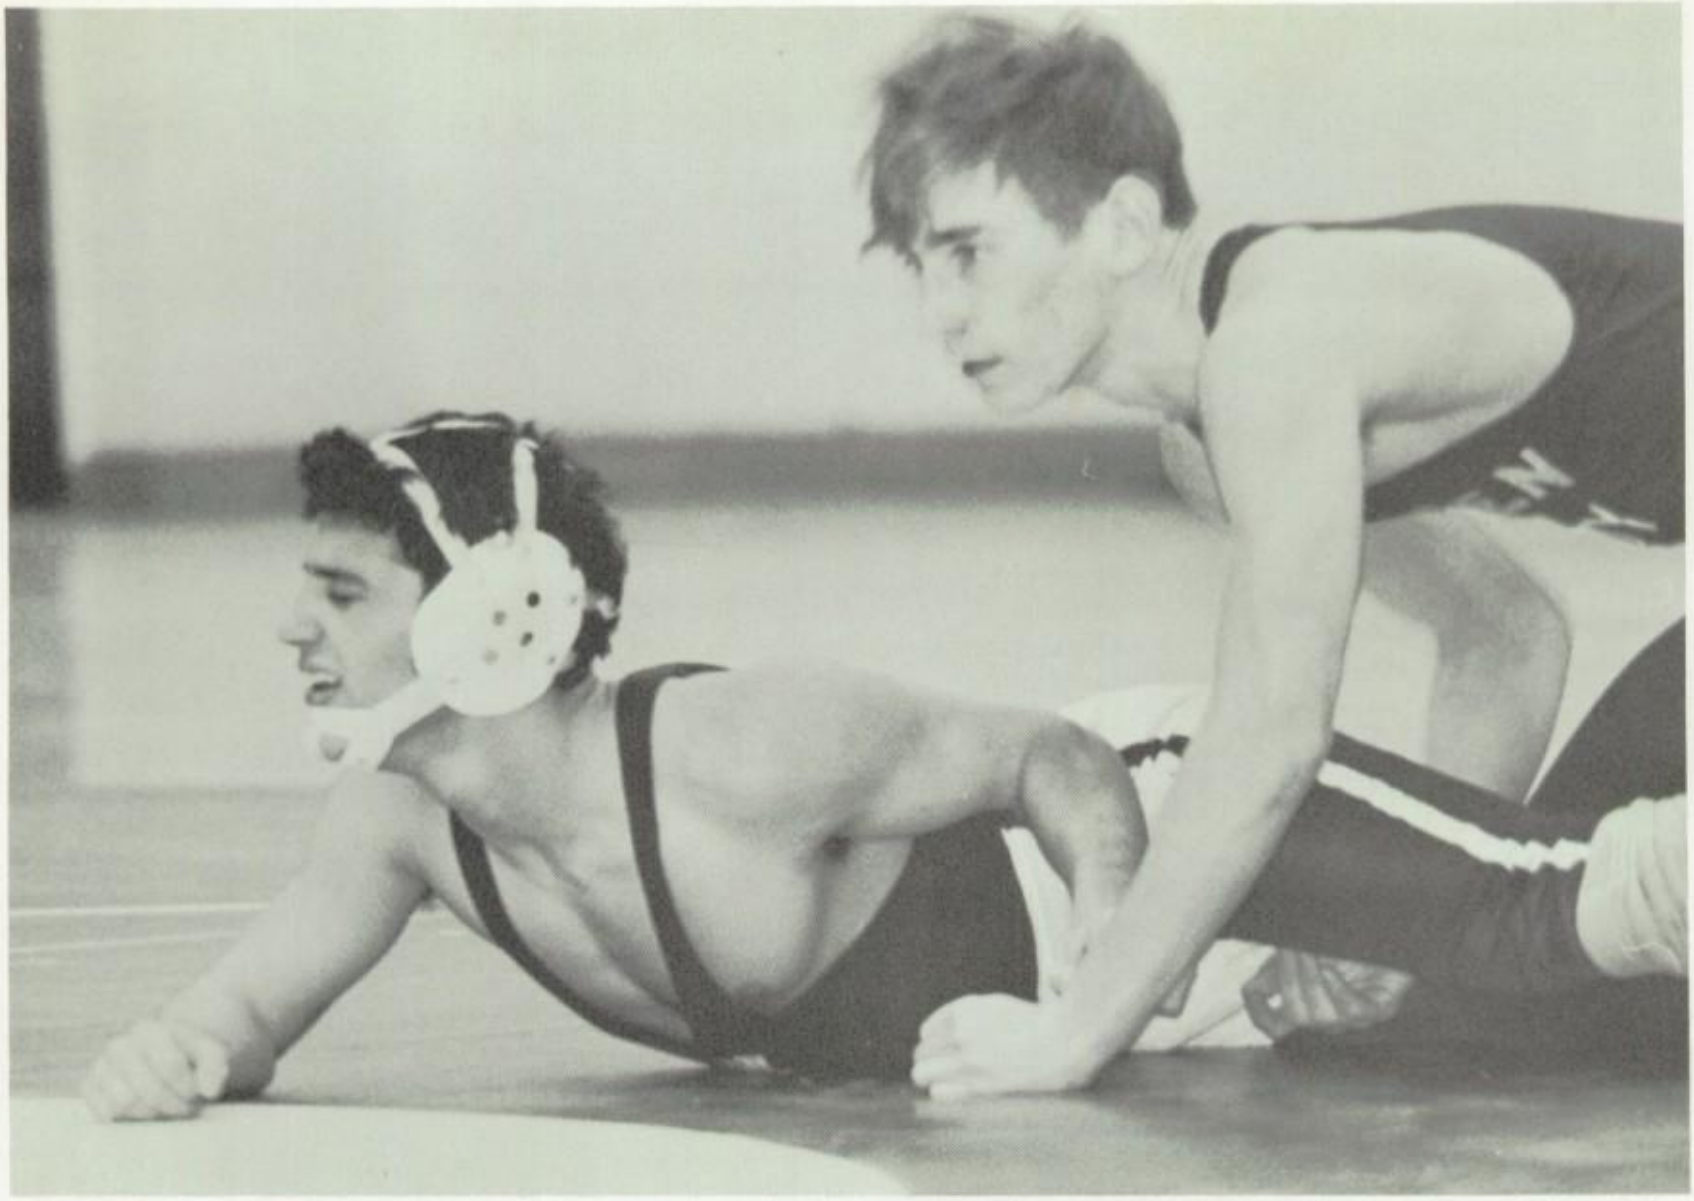
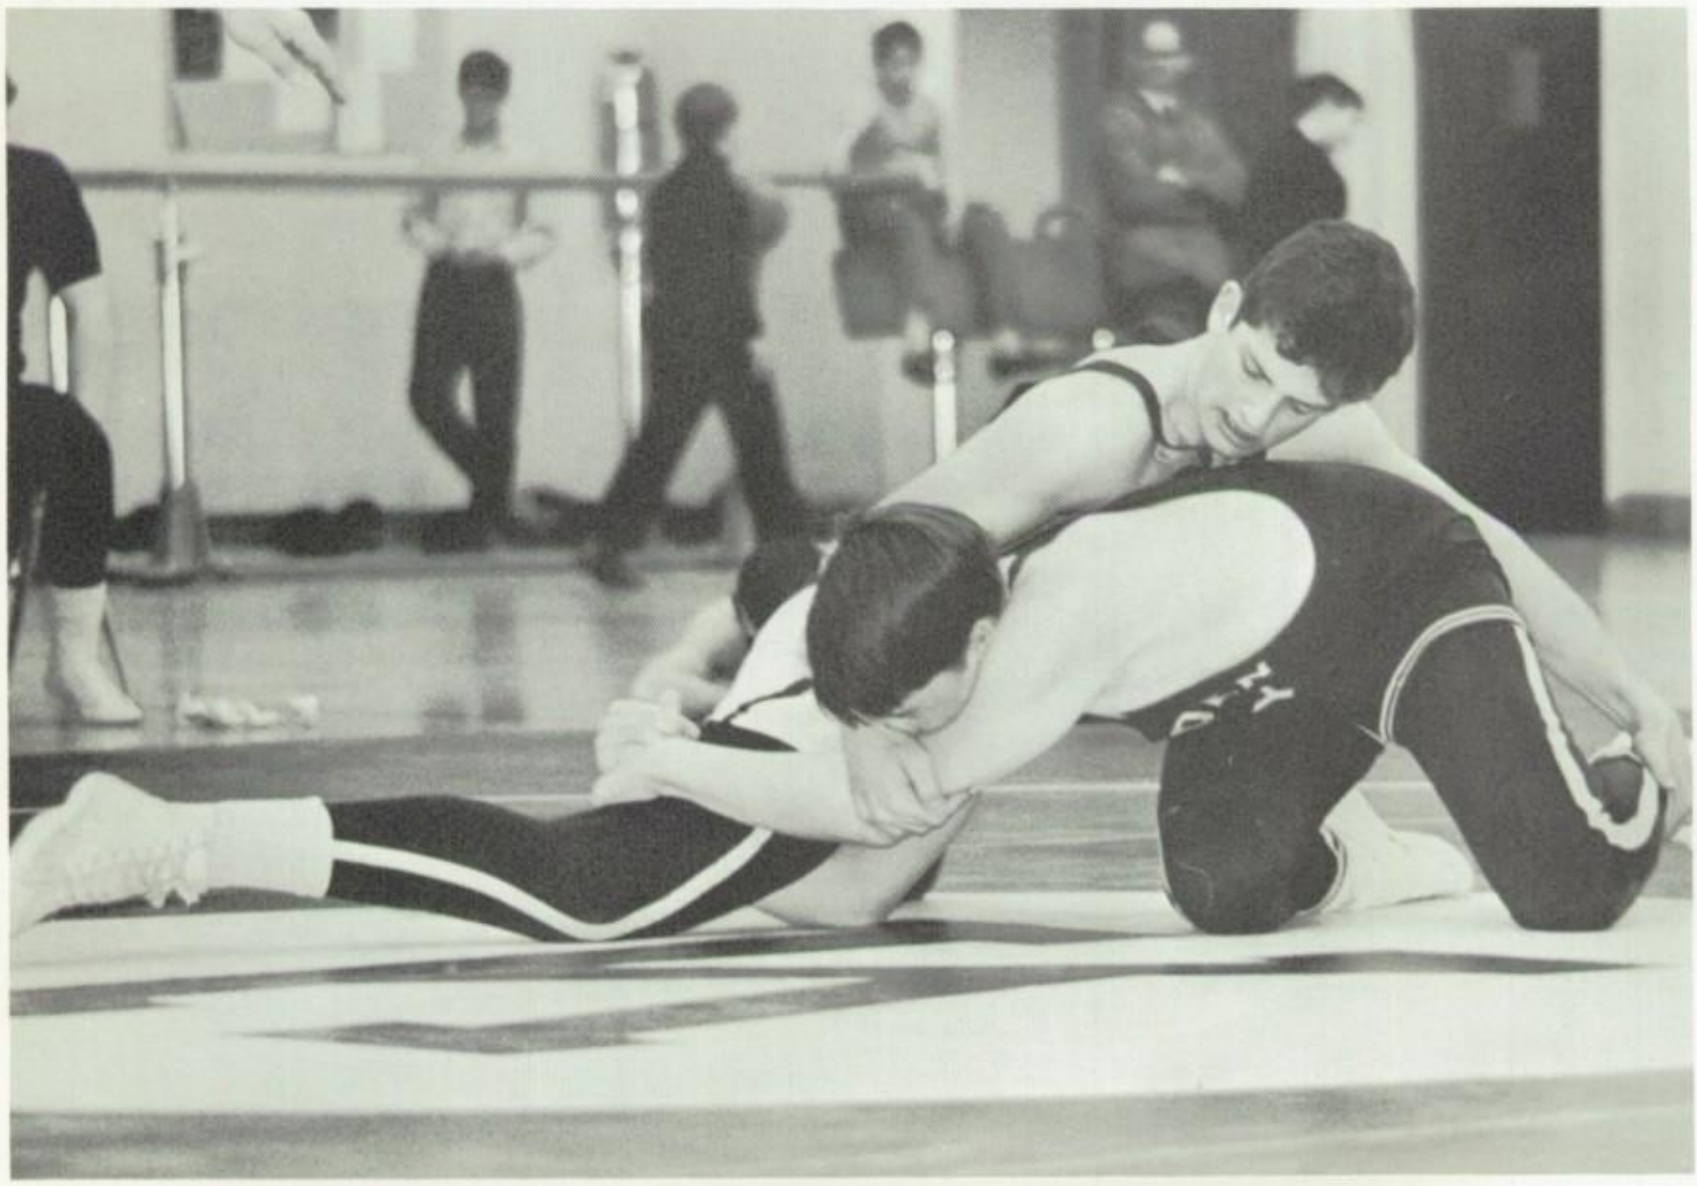
WRESTLING



With high hopes for this years season after last year's division champs, the grapplers did not live up to expectations. With the loss of Dave Venier, Doug Dietrich, Jim Yates, Russ Petro, and Tim Marrin, team balance could not be achieved; Weight classes were shuffled and often a wrestler had to wrestle above his weight class.

Pete Talty, in the heavyweight division, provided much of the excitment of each match as he consistently pinned opponents. Other strong grapplers were Dave Foxen, John Haberkern, capt. Brian Fitzpatrick, Niel Fitzpatrick, and George Boszilkov.





FIRST ROW: P. Lourekas, C. Wenk, P. Michaels, J. Yates, B. Eggers, D. Kanner, H. Hoke, L. Sturreson, E. Goodwillie.

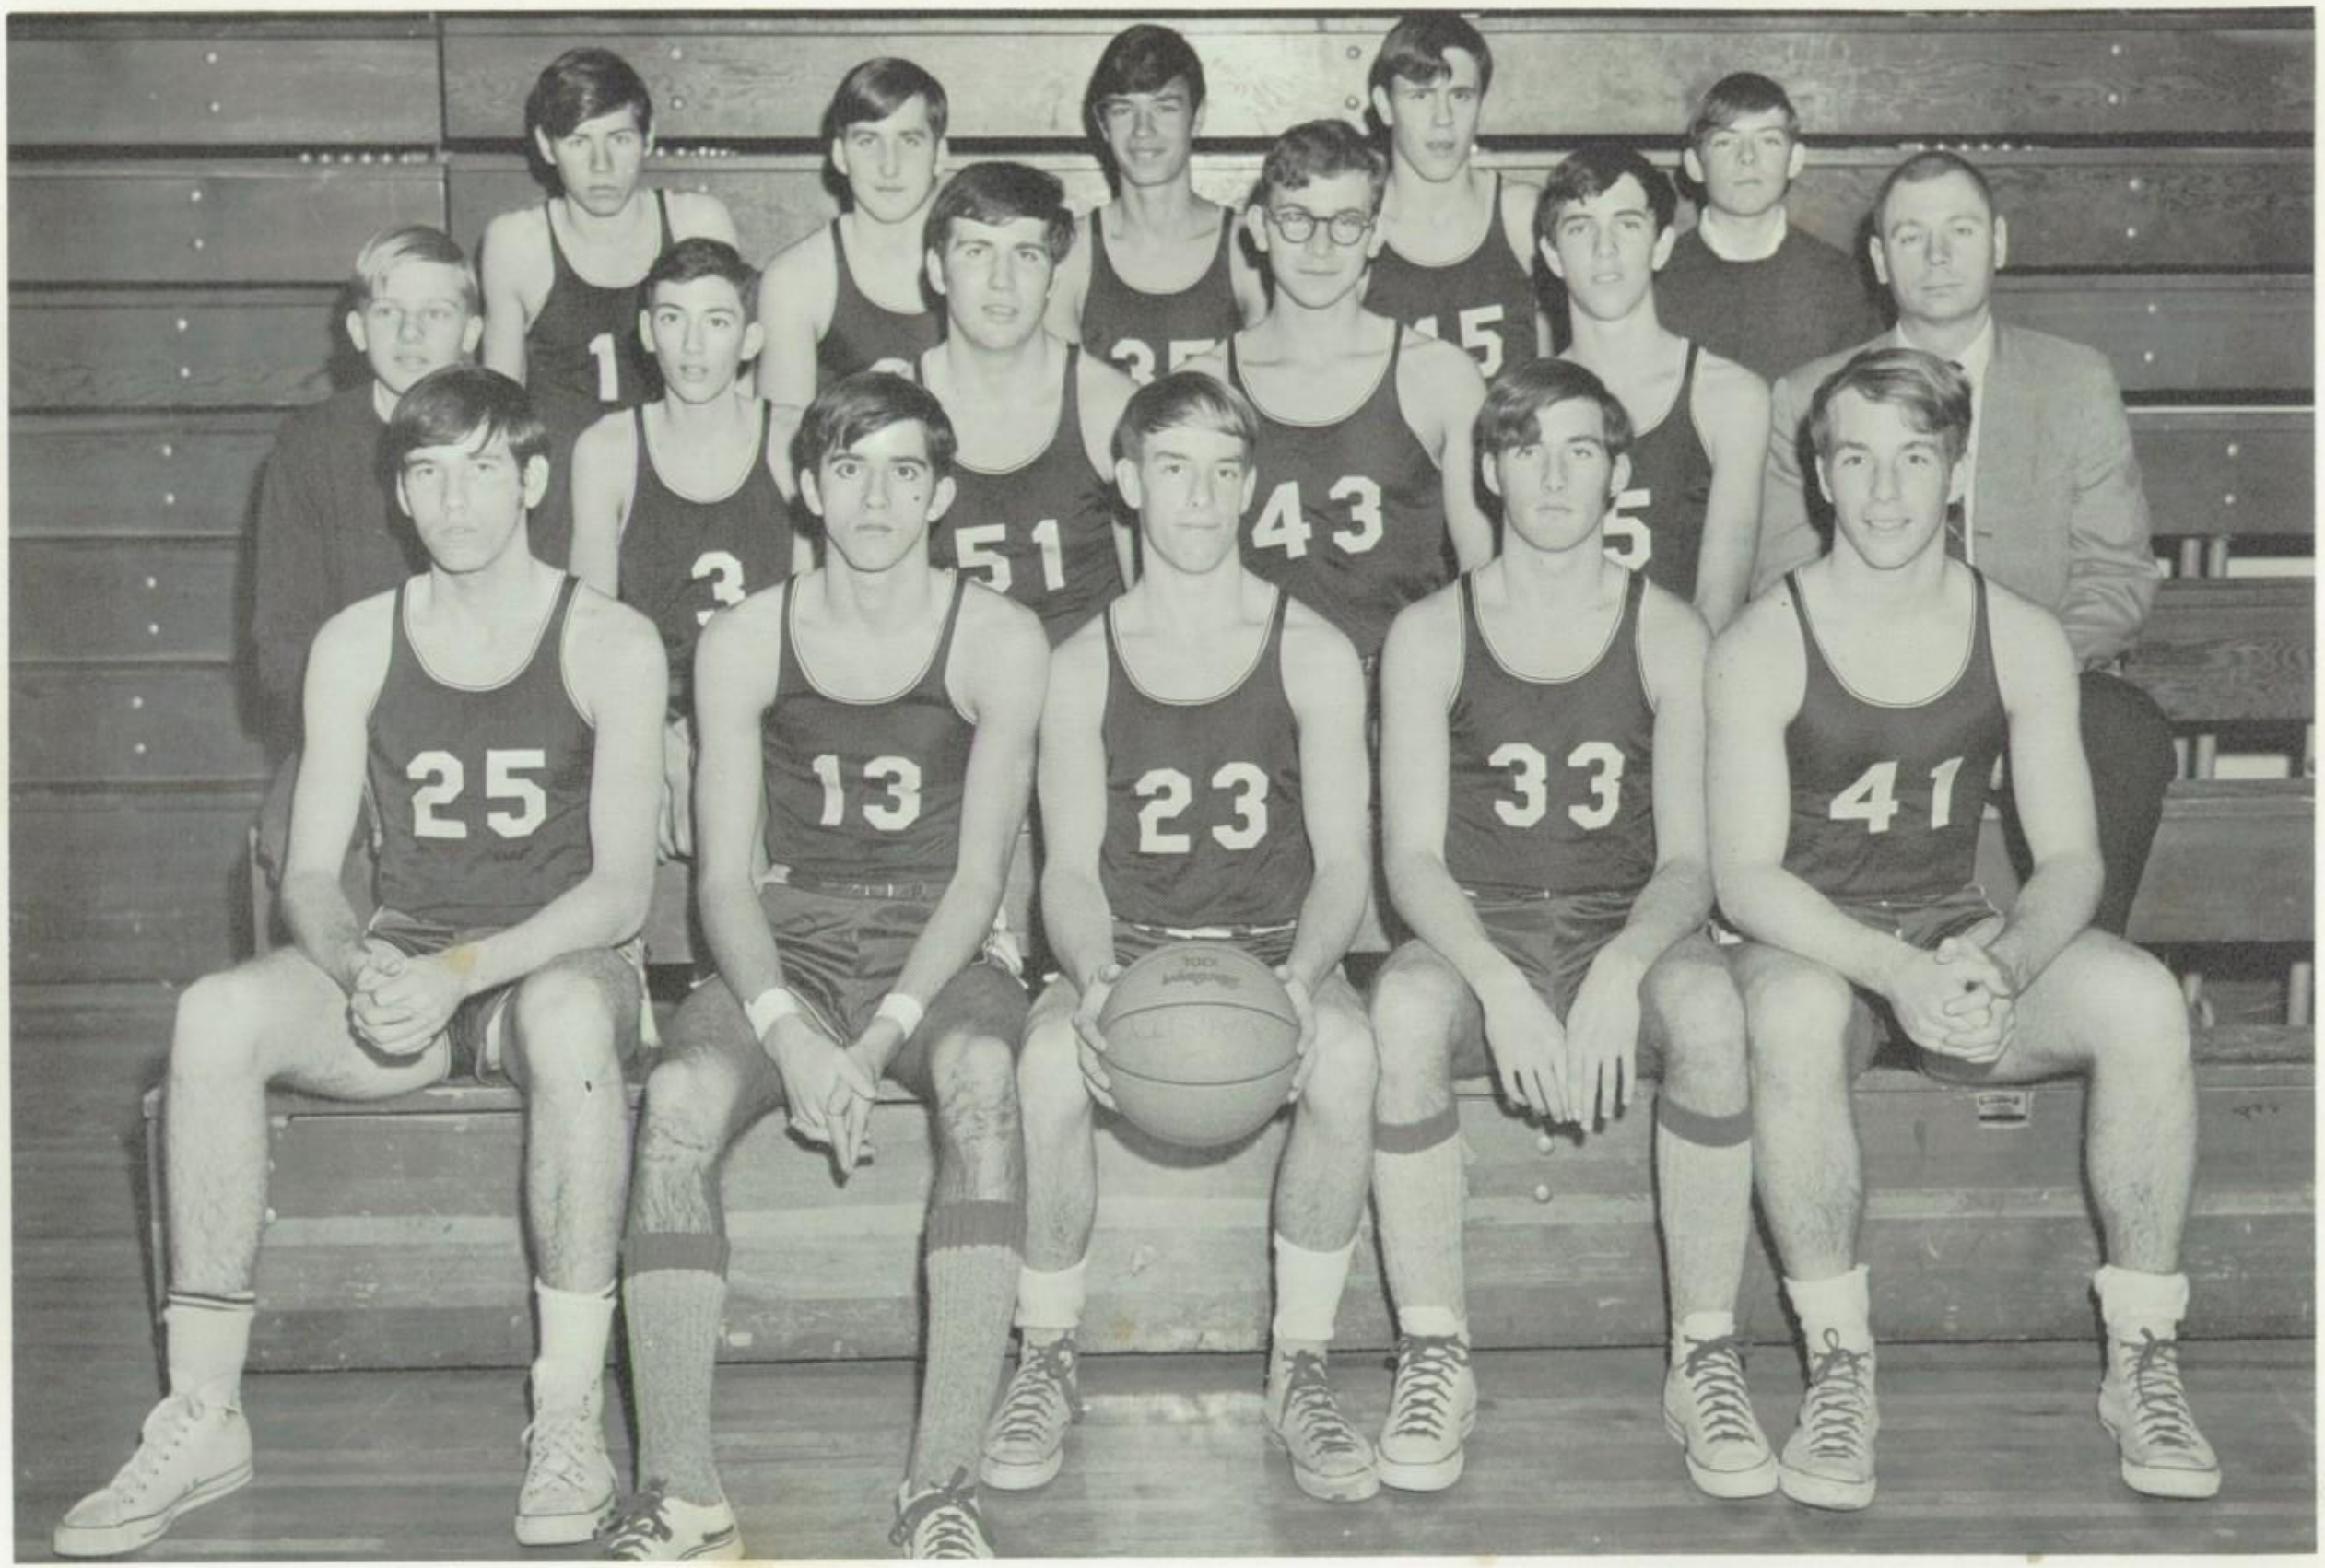
THIRD ROW: J. Steen, J. Malfetano, R. Heine, L. Kind, D. deSalvo, S. Tobias, S. Rainie, P. Forshay, S. Takash.

SOCCER

Once again only mediocre, the soccer team did far better than the football team. Hoping to get off to a quick start against relatively weak opponents, the Trojans found scoring to be the hardest part.

The line was composed of John Malfetano, Lennart Sturreson, and Co-Captains Jim Yates and Bob Eggers. Dick Hein, who was the sixth best lineman in the county and was a shoo-in for All-Division and North Shore honors. Stand-out half-backs were Hank Hoke, Paul Michaels and John Haberkern (between injuries).

Highlights of the season were the 6-0 and 3-0 defeats against Great Neck South and an exciting 1-0 defeat of Great Neck North. The Trojans lost two heartbreakers, one to Kennedy in overtime, and another to Port Washington on a penalty kick. These heartbreaks seemed to be the order in this disappointing fall season.



FIRST ROW: C. Miller, M. Berardino, L. Rainie, P. Schlegal, B. Schumacher. SECOND ROW: P. Wellenberger, H. Sheehy, J. Gallagher, G. Lauro, E. Youngkin, C. Hordlow. THIRD ROW: V. Biggane, B. Kelly, A. Buchanan, D. Jennings, M. Dalton.

BASKETBALL

In keeping with the year's senior class tradition in sports, the basketball team fared poorly, with the only playing experience in the person of 6'3" center, Bill Schumacher. The young team, with only five seniors, had occasional spots of good play, but it fell victim to the G.C. choke more often than not. Schumacher contracted a kidney disease and was lost for most of the non-league season. His absence was apparent as G.C. lost the first game by a 2-point margin. Even when Schumacher returned, he was greeted by the prolific scoring of Westbury with stars Ed Azkiw and Denis Duval.

The league season started off with a bang when, with one second left, Schumacher scored against Kennedy for a 44-42 victory. The next Mineola game proved disastrous as capt. Lee Rainie sustained a concussion and was rushed to the hospital, and lost for several weeks. County champ, G.N. North with star Phil Hankenson handled the loopers easily.

With Coach Hordlow shuffling line-ups, a winning combination was found for the second game against Mineola. Junior guard, Vinny Biggane led the team with 21 points and proved to be the court the rest of the season. Consistent performances were turned by guard, Paul Schlegel, forward, Mike Berardino and late-comer, Mike Rix.

RIFLE TEAM '68-'69

Under the direction of Coach Robert Cunningham this years Rifle Team finished a fair season with a record of seven wins and five losses. The disheartning losses were generally close decisions. The "Top Guns" this year were; seniors; Capt. Vic Goepfert, Allen Porrianda, and junior Page Johnson. Having gained much experience, next years team looks forward to a first place championship.

TRACK

1969 TRACK TEAM

Repeating last year's division II track cham· ·nship will be a tough goal for this year's track team, but with many returning lettermen, our hopes o. success are high. Sprints are exceptionally strong this year with co-captains Rich Rossetti and Paul Connor returning. John Eisen will lead the hurdlers along with (Chris and/or Rich Keane) and sophomore John Harris who looked very promising in indoor track. Rich Fitzsimmins, Paul Sanzo, and George Boyogian are hoping to improve, upon past records in the quarter mile. Our strongest half-miler will be Tom Kelly. Leading the milers and two-milers will be co-captain Scott Fairgrieves, with some potentially good runners backing him up. Pole vault will also be exceptionally strong with experienced jumpers Dick Boyle, Bill Brady, and Dan Smith. Once again our high jump strength depends upon Jim Getchell as well as juniors Al Buchanan, and John Tesh and sophomore Greg Clausen. The long and triple jumps may prove to be a pleasant surprise with some work on the part of juniors Dexter Senft, and Rich Williams. All in all, the team looks strong in several areas and with some hard work it may prove to be another winner.

BOWLING

SEATED: N. Martin, R. Georgetti, D. Muller, H. Oellrich, J. Nickoloff. STANDING: B. Schmidt, G. Koch, R. Cooney, D. Senft, R. Lynn, Mr. Slocombe.

The 1969 season was a year of rebuilding for the bowling team. Only Bill Schmidt had returned from last years almost successful varsity team. Senior Don Muller and juniors, Dexter Senft, Bob Georgetti, Bill Hollingsworth, John Nickoloff, Harry Oellrich, and Neil Martin, were the rest of the varsity team. The latter six will probably form the basis of next year's team that should improve on a record that showed no matches and only three games won. Often games that appeared to bw won were eventually lost due to inexperience. Dexter Senft had the high average at 159, but was beated by Neil Martin who had high game at 215 and high series at 521.

Drosus.

GYMNASTICS

Once again because of the great interest in gymnastics it will continue as an after school activity. Although we are unable to put on another demonstration this year, the time will be used to develop new skills for another demonstration next year. Developing their skills on the balance beam will be Kathy Brennan, Janet Madigan and Cathy Stuart with Devon Draffen, Elenor Monaco and Debbie Abbott exhibiting their skills on the uneven parallel bars and side horse. Many others will be working hard to equal the feats of last year's gymnastics team.

LACROSSE

LACROSSE—FIRST ROW: B. Schumacher, S. Albigese, D. Dieterich, R. Porto, P. Boger, D. Venier, J. Bassani, T. Price, J. Goodwin, T. Marrin. SECOND ROW: ~~J. MacFarlane,~~ E. Rombach, D. Stevenson, B. Rullman, Mr. Silvestri.

Co-Captains

Mr. Steen, D. Jenkins, R. Lynn, S. Greiner, B. Cuddy, D. Guida, D. McEvoy, R. Simpson, B. Georgetti, T. Foran.

GOLF

With only two members returning from last year's golf team, this year will most probably be a constructive one. Roy Reinen and Tom Santangelo, the two second-year men, have been designated as co-captains for the 1969 golf season. This year a comparatively large group of boys turned out for the team tryouts. Since there are only six team openings, selection is highly competitive. In addition to the two captains, there are a few good prospects in both the junior and sophomore grades. The team will play twenty matches against ten other schools on their respective golf courses.

BASEBALL

FIRST ROW: J. Haberkern, J. Malfetano, L. Rainie, B. Deflise, S. Cornnachia, R. Holmes, J. Sterling. SECOND ROW: B. Prinzi, S. Malfetano, D. Jennings, R. Roy, K. O'Donoghue, J. Nickoloff. THIRD ROW: P. Berardino, G. Koch, B. Daley, R. O'Brien, P. Michaels, Mr. Riffle.

Prospects for this year's baseball team are much better than in previous years. After the loss of only two seniors, the team is well-balanced and most important of all, experienced.

The defense should be strong with John Malfetano at third, Bill Daly at short, and Co-captains Lee Rainie and Bob Defelise at second and first. Not only will these four be a tight infield, but most of the hitting will come from them, and catcher Jim Sterling and outfielders Russ Holmes and Rich O'Brien.

Barring unforseen injuries and if the pitching of "no-hit" Steve Cornaccia and Bill Douglas holds up, the team will be the best in quite a long time. Coach Riffle has high hopes for his squad. They have the depth his other teams seemed to have lacked.

CROSS COUNTRY

This year's Cross Country team was basically a rebuilding year for the Trojans. Many of its runners were inexperienced and were not accustomed to running the 2½ mile course. The daily team practice lasted for an hour and a half with a run of 4 to 6 miles. At the first meet, the G.C. team lost to Great Neck North by a large score despite a first place finish by captain Scott Fairgrieve. Additional team losses were to Bethpage, Great Neck South, and Port Washington. Victories were gained against Mineola and Herricks. In the County and North Shore meets, the team performed well as expected. Despite the 2 to 4 record, the team had much spirit and worked well as a team. Some of the top runners included: Scott Fairgrieve, Tom Kelly, Ed Fagan, Jerry Lauro, Mark Gillan, Mark Truhtar, Mark Sordsman, Tom Hammon and Dean Mitchell. Returning next year will be Captain Ed Fagan, Dean Mitchell, Mark Sordsman, Tom Hammon, Jerry Lauro, Mark Gillan and Mark Truhtar.

GIRLS SPORTS

GIRL'S ATHLETIC ASSOCIATION OFFICERS:—BOTTOM ROW: P. Harrison, J. Earley, K. Foley. TOP ROW: J. Mitchell, C. Stuart.

LEADERS:—FIRST ROW: A. Treiber, D. Abbot, K. Brennan, M. Schroeder, C. Sultan, L. Anderson. SECOND ROW: E. Monaco, C. Stuart, J. Weed, S. LeBars, J. Hebrank, D. Draffen, L. Earing. THIRD ROW: P. Lord, B. Horstman, J. Jackson, K. Foley, S. Hamlin, C. Sauer, J. Madigan.

BASKETBALL

Basketball continuous to be one of the most popular of the winter sports. DeeDee McCabe was outstanding as both captain and high scorer. She was ably assisted by forwards DeeDee Venables, Pam Vaile, Cindy Sauer, Jonie Jackson and Jeanne Earley. The guards were Melanie Ludwig, Adele Trieber, and Kathy Foley. The season started off great with three victories over Elemont 19-14, Mineola 36-10 and Sewanhada 19-18. About mid-season the team lost its shooting ability and bowed to Carle Place in the last 30 seconds. The final game with Herricks was marked by excessive fouling and was also lost late in the fourth quarter. The prospects for next year look bright with five returning juniors from the varsity and some very promising underclassmen from the junior varsity.

GYMNASTICS

Four days a week the gymnastic team met to practice basic skills. These basic skills were taught in preparation for work in advanced skills which will be presented in next years show.

Participants included Janet McCauley, June Conover, Tina Braseth, Janet Mendes, Cindy Jones, Betty Horstmeyer, and Cathy Stewart. Apparatus consisted of uneven parallel bars, balance beam, buck, tumbling, horse and springboard.

HOCKEY

Another winning season was the story of the hockey team this year. The first game against Floral Park Memorial was a 2-0 victory for the Trojans quickly followed by a 3-1 victory over a strong Wheatly team. Some of the momentum was lost and Carle Place scored a 5-1 win over us. The season was rounded out by a 2-2 tie with St. Mary's. The forward line consisted of capt. Cindy Sauer, Pat Harrison, Jane Penn and Jeanne Mitchell and juniors Patty Eggars, Jonie Jackson, and Cathy Stuart. The forward line was backed by a strong defense consisting of seniors Jeanne Earley, Sally Hamlin and juniors Beryl Barmore, Janet Madigan, Betty Horstmeyer, Pam Vaile and "Folie the Goalie". Next year's team should have another winning season with ten varsity players returning next year and sophomores Janet Mendes, Tina Braseth and Janet McCauley joining them.

BADMINTON

Badminton has been promoted to the statis of a varsity sport this year. Once again Miss Henretig, holder of the Eastern Intercollegiate title for 1966 in women's doubles, coached by team to a victorious season. Big wins were against Carey and Westbury.

Because of the record turnout the doubles positions changed hands each match with Dee Dee McCabe, Peggy Coughlin and Lynn Kennedy playing first, second and third singles for the team. Doubles players included Diane McCarr, Cathy Guba, Patty Ellis, Kathy Brennen and Linda Rayel. Although none of this years first team will be returning, Garden City will place their hopes in juniors Paula Maksim, Kathy Tulka, and Tara Kehoe.

VOLLEYBALL

Volleyball at Garden City consisted of varsity, junior varsity and three class teams. One of the weaknesses of this years varsity was lack of experience. Only four seniors, DeeDee McCabe, Sally Hamlin, Melanie Ludwig and Jeanne Earley made the team. However next year's team should have bright prospects with the return of juniors Kathy Foley, Katie Scott, Sue LeBars and Jonie Jackson. Despite this year's lack of experience and also a lack of height the record was three wins over Mineola, Levittown and Roslyn and two losses to Great Neck South, a close one and Great Neck North, a heavy defeat. Team captains this year were Jeanne Earley, varsity and Lynn Patterson, junior varsity. A highlight of the season was a varsity-faculty game, a close fought game finally won by the varsity.
